****Uniform Sole Thickness ****

****Hoof Balance****

Mike Savoldi, CA

Mike Wildenstein, NY

With both Mikes leading discussion and thoughts in regard to the hoof capsule, this should be a lively clinic and one to not miss! Classroom in the morning and we hope to have several horses or some cadaver legs for the afternoon session.

Mike Savoldi's credentials include: past Chair for American Farriers Association Equine Research Committee, American Farriers Association 2005 Educator of the Year, past Committee member AAEP Vet/Farrier relations. As an educator, farrier & researcher with California State Polytechnic University in Pomona, CA, he developed concepts that have challenged the minds of many farriers & veterinarians. He is an internationally known author & researcher. Currently he is the director of the Equine Research Center in Shandon, CA.

Mike Wildenstein spent a number of years teaching farriery & veterinary students at Cornell University. He received his profession's highest distinction: certification as a fellow of the Worshipful Company of Farriers & the 1st American, ever, to receive his fellowship with honors. He also is in the International Horseshoeing Hall of Fame. Mike is one of the highest qualified farriers in the world & 1 of the most respected. He was the first farrier to gain a faculty position at a US veterinary college as Adjunct Associate Professor of Farrier Medicine & Surgery in The Department of Clinical Sciences of the College of Veterinary Medicine at Cornell University.
